1. [ ] Bob Hull, Department of State, called to make further inquiries about our pending retirement legislation. He said that they would have hearings on conforming amendments to the Foreign Service system before the Hays Subcommittee on Wednesday. I sent him material on our pending legislation in the interest of being of assistance.

3. [ ] Talked with Miss Kimie Ishibashi, Personal Secretary to Senator Daniel Inouye (D., Hawaii), about the possibility of the Senator addressing the Advanced Intelligence Seminar next Friday. Miss Ishibashi said she would be glad to take this up with the Senator and be back in touch with me.

4. [ ] Talked further with Glynn Mays, of the State Department Management staff, about State's providing Senator Fulbright with a breakdown of certain U.S. personnel figures. I told Mays we would be back in touch with him on Monday. [ ] Cover Division, is working on this.)

5. [ ] Colonel Everett Harper, on the staff of the Senate Preparedness Subcommittee, called and asked if the revelations by Senator Fulbright following the Director's testimony before the Symington Subcommittee was a deliberate move on the Agency's part. I told Harper the only way we could answer his question was to state that the Director had appeared before the Symington Subcommittee in response to a request from the Senator which the Director did not feel he was in a position to refuse. I added that we did not consider this as establishing a precedent and the Director's appearance was made in a manner consistent with his other briefings on the Hill. I told him I was providing this for his information and not for publication. Harper said he understood and added that he was "dismayed" by Senator Fulbright's statements.

25X1 6. [ ] Received another call from Al Tarabochia, on the staff of the Senate Internal Security Subcommittee, concerning the Subcommittee's contact with an American citizen who was arrested in Peru. (See Memo for the Record for details.)

After passing this information on to WH Division, I suggested to Tarabochia that he inform the State Department of this information since the individual involved is an American citizen.

25X1 9. [ ] Met with Mr. Arthur Kuhl, Chief Clerk, Senate Foreign Relations Committee, who told me the daily delivery of the transcript of the Director's testimony before the Symington Subcommittee can be discontinued after today. The transcript will be retained in the Agency, subject to call by the Chairman. Mr. Kuhl also advised that the transcript will be needed next Wednesday for the day. Chairman Symington has scheduled an administrative meeting of the Committee and staff to review the hearings on Laos.

25X1 10. [ ] Met with Mr. James T. Kendall, Chief Counsel, Senate Preparedness Investigation Subcommittee, who asked that someone come by the first of the week and brief him on the new Soviet bomber that has been receiving so much publicity.

25X1 11. [ ] Met with Miss Trudy King, Executive Assistant to Representative Thomas Morgan (D., Pa.), and closed out the Forte correspondence with her. Miss King expressed Representative Morgan's appreciation for our help in this case.

25X1 1. [ ] George Winnett, State Congressional Liaison, called to say he had gotten a congressional inquiry about allegations regarding Kim Philby's relations with CIA. I told Winnett that if he would send the inquiry to us we would try to handle it.

25X1 2. [ ] Jack Leahy, State Department Congressional Liaison Office, called and asked if any members of the Foreign Relations Committee have been present at our briefings of the Senate CIA Subcommittees on Laos. Leahy is aware that Senators Fulbright, Mansfield and Hickenlooper (now Aiken) normally attend these meetings as invitees. He is raising this question as a result of Senator Fulbright's statement at Secretary Rogers briefing of the Symington Subcommittee that this was the first he knew of the extent of U.S. involvement in Laos. (See our Memo to the Director). On the Director's instructions, Leahy was advised that this was a matter which Mr. Helms would discuss personally with Secretary Rogers.

25X1 3. [ ] Talked several times with Glynn Mays, State Department Management staff, about State's response to a query from Senator Fulbright for a breakdown of U.S. personnel in the top 15 embassies around the world. I told Mays we were working on this and would be back in touch with him as soon as possible.

25X1 4. [ ] Met with Mr. Al Tarabochia, Chief Investigator, Senate Internal Security Subcommittee, and received from him for Agency review the galley proofs of the 16 October Committee hearing of testimony of [ ]

- 25X1 1. [ ] Accompanied the Director who testified before the Subcommittee on U.S. Security Agreements and Commitments Abroad of Senate Foreign Relations Committee, regarding our involvement in Laos. A transcript is available in OLC.
- 25X1 2. [ ] Jay Sourwine, Senate Internal Security Subcommittee staff, called with a question about the Stockholm Conference on Vietnam. He said a press release which was given by the International Liaison Committee on 12 October discussed this conference. Sourwine is interested in knowing whether any Americans participated in this conference.
- 25X1 3. [ ] [ ] OPPB, furnished us with copies of an inquiry to State Department and several alternative responses providing Senator Fulbright with a breakdown of U.S. personnel at the fifteen largest U.S. embassies. We will discuss this with Mr. William Macomber tomorrow to decide the best way of handling Agency personnel figures.
- 25X1 25X1A 4. [ ] Checked with [ ] CDC, on the Senate Internal Security Subcommittee's request for access to the Cuban pilot who recently flew a MIG fighter to the U.S., when he should become available. [ ] confirmed that the Subcommittee's request has been recorded. He doubts, however, that this pilot will be available within the foreseeable future.
- 25X1 25X1A 5. [ ] Checked with Al Westphal, House Foreign Affairs Committee staff, on the status of amendments to the Foreign Service Retirement Act to provide the benefits of the Daniels/McGee bill to Foreign Service retirees. Westphal advised that the Committee is preoccupied with the Foreign Aid bill and has no immediate plans to act on this legislation. He did indicate, however, that there is a good possibility that the Daniels/McGee amendments will be included in legislation which will also make other amendments to the Foreign Service Retirement Act.

25X1 12. [ ] Received a call from Ethel Maness,  
25X1A in the office of Representative Leonard Farbstein (D., N.Y.), who  
25X1A requested an employment interview for [ ]  
After checking with [ ] Office of Personnel, I advised  
Ethel Maness that an appointment has been scheduled for Wednesday,  
15 October at 11:00 a.m.

25X1 13. [ ] Lura Dean Hoskinson, in the  
office of Senator Stuart Symington (D., Mo.), called to set up an appoint-  
ment with Agency representatives for a constituent who is looking for  
a 20-year grant to underwrite a program for "making children better  
individuals." I told her that from what she had said the program had no  
apparent interest for this Agency and reviewed the legislative proscriptions  
surrounding our functions. She agreed, but said that she might have to  
come back to us if she was unable to arrange other appointments for the  
constituent since apparently an HEW representative who had talked to him  
had mentioned that either DOD or CIA may have some interest. I told  
her that if called upon we would meet with the individual as a courtesy  
to the Senator.

25X1 14. [ ] Mr. Robert Hull, Department  
of State, called for a rundown on our plans for updating the Agency's  
Retirement Act to the Daniels bill, which I gave him.

1. [ ] [ ] Director for Communications, advised of a call he had received from William H. Goodman, Deputy Assistant Secretary of State for Communications. Goodman said that during appearances of State witnesses before Senator Symington's Subcommittee they were asked about State Department's communications facilities. [ ] is assisting Goodman in preparing a suitable response to this question for the record. (See Mr. [ ] Memo for the Record for details.)

2. [ ] Talked with Al Tarabochia, Senate Internal Security Subcommittee staff, who expressed the Subcommittee's appreciation for the assistance given him in arranging for meetings with [ ] in New York on Monday. WH/Cuba is preparing biographic material on [ ] for Tarabochia.

3. [ ] Dave Brandwein, FMSAC, called to pass on a report he had received from Dave Williamson of NASA. During a briefing given the full House Science and Astronautics Committee by NASA, Chairman Miller mentioned that the Soviet space program was having some problems. Miller then mentioned in very general terms sensitive information given him by Brandwein in a private briefing. While this is on the Committee record, it is our collective judgment that Miller's remarks were not sufficiently serious to warrant an attempt to expunge them from the executive transcript. Williamson also expressed some reservations about the "reliability" of one of the members of this Committee. See Memo for the Record.

The suggested reply was coordinated with [ ] Security, and [ ] Personnel.
